#### THE LIVING CHURCH.

No intelligent, thinking Churchman or Churchwoman should be without a Church paper representing not a local part but the whole national Church. One owes it to himself and to the Church to be constantly in touch with the news and the thought of the Church.

THE LIVING CHURCH is an intellectual power in the Church. With correspondents in every American diocese and abroad, it is able to present the Church's news in condensed, readable form week by week.

It has many correspondents in Europe, in camps, and at the battle front. It has led practically the whole American religious press in relief funds.

It has special papers on special subjects of interest to Churchmen. Neither sectional nor partisan, it seeks to represent the largest, the Catholic thought of the Church.

The late CHAPLAIN DANKER, who received the Croix de Guerre and was killed in action in France, wrote shortly before his death: "THE LIVING CHURCH has been a great comfort to me."

Weekly Subscription Price \$3.00 per year. To the Clergy, \$2.50.

# A Foreword

---

In November, 1919, we sent out to every Bishop and Clergyman at their latest known address, the printed sketch as it appeared in the 1917 edition of STOWE'S CLERICAL DIRECTORY OF THE AMERICAN CHURCH, for correction and amendment, requesting their immediate return. We then stated that we hoped to publish and deliver the 1920 edition of the Directory during February, 1920.

A large number of the Clergy responded immediately and it looked, for a few weeks, as if we would have all necessary data in hand, so we could fulfill our hopes, but, as the days passed, we soon discovered that less than one-third of the Clergy were performing the simple act of correcting their sketches and returning them in the addressed, return envelope.

A second series of reminders were sent out. This brought more answers and finally a third series of reminders were sent forth, so that we did not have sufficient amount of reliable data in hand to begin our work until February.

The great commotion in the printing world, the advance in wages, the strikes and other things incident to that business has prolonged our work and we have not been able to realize our first hopes.

At last, the book is issued, but this time, without the Diocesan statistics which made up the last hundred pages of the 1917 edition. This omission is because of the added cost of printing and because most of the information obtained there is to be found in the Church Annuals. We were compelled to increase the subscription price to \$4.00 because of the added expense of printing and to be able to meet our obligations. We have spared no pains or cost in compiling this issue and are sending the book forth with the hope that it will meet not only the approval of the Bishops and Clergy but also their commendation. While there is much interesting pleasure in compiling such a book, still it is, in many ways, a hard, trying and costly task. The book is done. I commend it to your tender mercies.

I want to thank the Bishops, Clergy and some others for their valued assistance.

ANDREW DAVID STOWE,  
Editor and Publisher.

# Abbreviations

The following is a partial list of abbreviations adopted in this book, all of which are not commonly used elsewhere. Where the word "saint" is part of the name of a church or school, a capital "S" is used, and where it is a portion of the designation of a city, the regular "St." is used. In the case of all abbreviations not here listed, the commonly used shortening of the word is used, in this book or such shortened form as clearly indicates the word, the place of which it takes.

Where a dash appears after statement of a position it indicates the subject of the sketch still holds the position.
