FOREWORD

This is the twenty-third edition of The Clerical Directory in the seventy years since the first edition was published in 1898.

This 1968 edition contains biographical data on each of the 11,500 living members of the clergy; separate lists of those members of the clergy who have been removed from the biographical section because of death, transfer, or deposition, including reference to the last edition in which a full biography appears; The General Convention Digest 1967, as graciously furnished by the Associate Editor of The Episcopalian; the fifth article in the series "The Church's Evolving Architecture" by The Reverend Darby W. Betts; and a photographic section, which for the first time includes individual photographs of the clergy serving in the Armed Forces.

Our sincere thanks is hereby extended to the clergy for their cooperation in supplying us with the information, and to Mrs. Carole Ann Wolf and her staff for their splendid job of editing and compiling this edition.
