FOREWORD

This twenty-sixth edition of the Episcopal Clerical Directory represents the realizations of efforts to provide to the Church an edition of the Directory every two years, which up to now has been issued at three year intervals. We believe this will provide more current material and thereby enhance the usefulness of each edition.

It includes the names and biographical data of all clergy of the Episcopal Church, active, inactive, and retired as provided by the Recorder of Ordinations and the Church Pension Fund. Deaths and transfers are noted with a reference to the last edition where a full biography appears. Depositions and removals are recorded in a separate list at the end of the book. The addresses and present positions are current as provided to us by Oct. 31st 1976.

We are especially grateful to the over ten thousand clergy who reviewed and updated their biographies. Editing and compiling of this vast amount of data was under the able direction of John Ronan. Without him and his staff, Frank Hemlin, James Meyer, Shane Appel, John Atkinson, Rick Bottino, Sherril Foster, Diep Le, Rocco Sandarciero and Yvonne Smith, this book would not have been possible.
