EPISCOPAL CHURCH
AUSTIN, TEXAS**

Foreword

The 1983 edition of the *Episcopal Clerical Directory* marks the twenty-ninth volume in the total series, the fifth in its biennial format, and reflects changes in the clergy list from October 16, 1980 through October 15, 1982.

This volume contains the names and biographical data for all Episcopal clergy in good standing, both active and retired, as provided by the Recorder of Ordinations. Deaths and transfers which have occurred since the last edition are noted under the individual surname with a reference to the previous edition, where a complete biography may be found. Entries which appear in bold face type indicate that we have received updated material current through October 15, 1982. In compiling a book of more than 13,000 biographies, brevity becomes increasingly important. For that reason some editing has been necessary where activities were too numerous for our limited space. However, every effort was made to include all church related data.

We are especially grateful to the nearly eleven thousand clergy who reviewed and updated their biographies. In addition, for the invaluable assistance of the Office of the Recorder of Ordinations, thanks must be expressed to Dr. Gordon J. Sperling.

January 1983
